Other Business

Board Training

Regional Center for Excellence

Dr. Lowell Haagenson and Kim Wingrow presented to the Board their role in working Stonebridge. They shared the approach that they use to assist schools and the coaching that is provided.

The RCE partners with MDE and helps to bring information back to MDE and helps to support schools.

At Stonebridge they provide professional development on site for staff, help teachers and staff look at and interpret data, make plans for what do with the information found in the data, support our EL program and support our Special Education program.

Board Training

Data Presentation

Joanie Preiner presented to the board the types of assessments that Stonebridge uses with all grade levels and explained what each assessment will measure and the information that it gives to teachers.

Joanie walked the board through the results of some of the assessments.
