

602 INSTRUCTIONAL SERVICES- SPECIAL EDUCATION

I. PURPOSE

The purpose of this policy is to set forth the position of the school board on the need to provide special educational services to students who qualify for services in the school.

II. GENERAL STATEMENT OF POLICY

The school board recognizes that some students need special education and further recognizes its responsibility to provide a free appropriate public education and delivery system for students in need of special education.

III. RESPONSIBILITIES

- a. The school board accepts its responsibility to identify, evaluate, and provide special education and related services for disabled children who are properly the responsibility of the school and who meet the criteria to qualify for special education and related services as set forth in state and federal law.
- b. The school shall ensure that all qualified disabled children are provided special education and related services which are appropriate to their educational needs.
- c. When such services require or result from interagency cooperation, the school shall participate in such interagency activities in compliance with applicable state and federal law.
