

# STONEBRIDGE World School

[StonebridgeWorldSchool.org](http://StonebridgeWorldSchool.org)

Hello, Stonebridge World School Families,

A warm welcome back to everyone and a special welcome to all the families that are new to the Stonebridge World School community!!

We are glad that so many of you were able to make it to the Back to School Open House in August. We hope you had a chance to check out the newest mural in our entryway. Local artists, Nell Pierce, worked with students over the summer and created a mural reflecting the strengths that the students named in themselves and their peers.

# ANNOUNCEMENTS

## Connecting with your Child's teacher

Parents are welcomed and encouraged to contact Stonebridge World School teachers, administrators or office staff with questions or to discuss concerns regarding their children.

If you would like to meet with your child's teacher, please make arrangements with the classroom teacher. Also, teachers are unable to take phone calls during the school day. If you need to speak with your child's teacher, please find their email or voicemail number listed here: [Contact Information for Stonebridge Teachers](#). The teacher will reach you at a time when they are available, within 24 hours.

## Stay Connected

- Join to stay up to date on important information!
  - [Facebook page](#)
  - [Instagram](#)
  - [Twitter](#)

## Masks

Remember to send your child to school with their mask. Masks are required for all students and staff (age 2 and up) regardless of vaccination status. Students are required to wear a mask inside the building and on the bus.

## Help us Slow the Spread

Remember to keep your student at home if they have any of these symptoms and contact a health care provider for testing and care.

If you have any of these symptoms,  
**STOP!**

Remember to keep your student at home if they have any of these symptoms.

**m** MINNESOTA | **STAY SAFE MN** health.mn.gov

## Covid-19 Testing

Covid-19 testing is available for all students. Testing is free and will take place every week. If you are interested in having your child receive free weekly testing, please fill out the consent form and registration form that was sent home with your child.

## Reading Corps

Minnesota Reading Corps has been a key partner in our efforts to ensure all students are reading well by third grade. Data from the NORC study confirms that their strong early learning supports interventions get great results for kids, and set them on a path for continued academic success. We are fortunate enough to have two Reading Corps tours at our school this year. If you have any questions about the Reading Corps program at Stonebridge, please contact Jeffrey Peterson ([jpeterson@sbwschool.org](mailto:jpeterson@sbwschool.org)) our Reading Corps Internal Coach. If you are interested in learning more about becoming a tutor, you can find more information here: [Reading Corps](#)

## Transportation

As some of you might know, bussing has been a challenge. We have had some of our busses arrive late from previous schools which is throwing the timing off for Stonebridge. We are working very hard to get students home on time and we appreciate your patience and understanding as we work to make things run smoothly.

Please make sure you have downloaded the My Stop App in order to track your child's bus. You can find more information about the My Stop App here: [My Stop App](#)

If you need to contact the bus company to check on a bus, please use the one of the following numbers:

Bus 1, 2, and 7: **651-251-8080**

Bus 3, 4, 5, 6, 8 and 22: **612-866-6628**

## Parent Pick-up

This year, the number of parents picking their children up from school at the end of the school day has increased. We've made some changes in order to make parent pick up run more smoothly. We have a stellar team in the parking lot working to keep traffic moving. For those of you picking up your students, we appreciate you working with our staff to make this process more efficient!
