

# STONEBRIDGE WORLD SCHOOL

## Who Are We?

We are **Kemmetmueller Photography**, your district's new school photography provider! We are a locally-owned family business that has operated in the greater Lake Minnetonka area for over 45 years. We are the fastest-growing, independent photography company in our area and considered one of the largest, non-corporate studios in the Midwest. We look forward to working with you and we are looking forward to your upcoming picture days!

## Picture Day: 11/15/2021

### ABOUT YOUR PHOTO DAY

No need to do anything before picture day, just send your child to school with a smile! We will be taking 3-5 images in multiple poses.

Kemmetmueller uses a View First system for parents! This means that all photos will be uploaded to their personal gallery 7-10 days *after* your child's picture day. Then, you will receive a link to your gallery, where you can view and buy your photos completely online.

### HOW TO ORDER YOUR PHOTOS

Log-in into your gallery. Pick one, two, or all of the images you want! You can order them a la carte or in one of our packages. Pick from numerous background options, and you can also crop your image to adjust it to a desired look!

### HOW YOUR PHOTOS GET DELIVERED

Once your photo orders are placed, they will be delivered directly to your home within 3-5 days. If you experience any issues with your orders, please contact us.

## NEW FOR THIS YEAR

You now have the ability to choose your child's yearbook photo! This can only be done through your View First link.

Click on the *Change Yearbook Photo* button in your gallery to choose the photo! This is available up until 2 weeks after your school's retake date. After that, your yearbook photo will be selected for you from the most recent set of images (i.e. retakes).

## CONTACT INFORMATION

Please feel free to contact us if you have any questions about your child's picture day, need help with ordering photos, or anything else.
