Week II	Golden Corn Dog w/ Ketchup	Yahya! Boneless Chicken Wings	A Family that dines together, stays together		
Hot Meal	Goldfish Pretzels	Honey Mustard	Any recipe is a great recipe when it becomes a family favorite. And when it is comforting, flavorful and of lip-smacking taste, it elevates the cooking and dining experience to another level. This Stew recipe is one such for my family. This recipe is fondly tied to my memories, as my sons enjoyed having it so often when they were young.  With an awesome baker (my wife) in the house, I am the one who holds the position of chef. My amazing oven and I make an awesome team. Together, we never cease to excite the taste buds of my family.  - Brandon
