

# STONEBRIDGE World School

[StonebridgeWorldSchool.org](http://StonebridgeWorldSchool.org)

---

Stonebridge World School Families,

We want to thank all of the parents that took time away from their busy schedules in order to meet with your child's teacher for conferences. If you haven't had a chance to schedule a conference with your child's teacher, it's not too late! Reach out to your child's teacher and let them know when you are available for a conference. For a list of teacher contact information you can click here:

## ANNOUNCEMENTS

### Native American Heritage Month

November is Native American Heritage Month, or as it is commonly referred to, American Indian and Alaska Native Heritage Month. The month is a time to celebrate rich and diverse cultures, traditions, and histories. It's also a time to acknowledge the important contributions of Native people.

"Celebrate the history, culture, and traditions of American Indians and Alaska Natives in a special collection of films, short stories, and resources from Public Television."

  - [Twitter](#)

## Picture Day

Picture Day is November 15, 2021! Stonebridge pictures will be taken by Kemmetmueller Photography. Click Here for more information: [Picture Day](#)

## Basketball

Girls' Basketball has officially begun. Practices take place after school Monday-Friday. Boys' Basketball tryouts will take place before Winter break and practices will begin in January. If you have any questions about Stonebridge basketball, please contact Ms. Feser: [kfeser@sbwschool.org](mailto:kfeser@sbwschool.org)

## Robotics

The Robotics Club will be meeting after school on Tuesdays and Thursdays starting the second week of November. The Robotics Club is open to students in grade 6-8. For more information please contact Mr. Kampa: [tkampa@sbwschool.org](mailto:tkampa@sbwschool.org).

## Girl Scouts

Girl Scouts is coming to Stonebridge!

This school year Girl Scouts Community Engagement team is working with Stonebridge to start an affinity Girl Scouts Mentored troop that centers the unique experiences of BIPOC girls (Black, Indigenous, People of Color).

This troop will be led by volunteers of color and will provide a space for BIPOC girls to find community as they experience all that Girl Scouts has to offer. Families can expect culturally responsive leadership programming as their girl develops a sense of belonging and sisterhood with her troop. Girls will have the opportunity to earn badges, sell cookies, go to camp, development leadership skills, and make new friends! If this sounds like a good fit for your girl, contact the [Girl Scouts Community Engagement Team for more information!](#)

[Families can use this link to submit their interest to join the troop to me.](#)

## Covid-19 Testing

Covid-19 testing is available for all students. Testing is free and will take place every week. If you are interested in having your child receive free weekly testing, please fill out the consent form and registration form that was sent home with your child.

# Vaccine Updates from Minnesota Department of Education

“Great news for Minnesota families and children: the FDA and CDC have recommended the Pfizer vaccine for 5- to 11-year-olds. Getting your child (age 5+) vaccinated for COVID-19 is the best way to protect them and the people around them. Common underlying conditions like asthma and obesity can put kids at greater risk of severe illness from COVID-19. Help protect your children 5 and older by getting them vaccinated now. Find shots for your family today: [mn.gov/vaxforkids/](https://mn.gov/vaxforkids/) #StaySafeMN”
