		Monday, May 30, 2022	Tuesday, May 31, 2022	Chef Spotlight - Steve Fleming (Inventory Analyst)			
Week IV		NO SCHOOL! ¡NO HAY ESCUELA! MEMORIAL DAY	Mongolian Meatballs	Another Pi(e) that goes on and forever			
Hot Meal			WG Dinner Roll	Recently when thinking about buying a pie for holidays, I recalled a pie, that my dad had made when I was a kid, which I hadn't seen since moving to Minnesota 25 years ago. After calling around - and getting a few laughs and comical remarks - I discovered no one had even heard of such a pie at the half-dozen local bakeries I called. I also read this dessert was a favorite of Johnny Cash and decided if it was good enough for the "The Man In Black", then I'd just make my own! I don't recall ever baking a pie before myself, but this recipe was even easy enough for me. This recipe only takes 5, 6, or 7 ingredients, depending on what options you pick. (Note: While this isn't an exact copy, this is pretty close to the online recipes of the "Johnny Cash's Mom's" version.)			
			Mashed Potatoes	-Steve			
			Banana & Animal Crackers	Choice Milk	Chef Steve Fleming's 'Easy Pineapple Pie'		
			Albondigas, Pan, Puré de Papa,				
			Banano, Galletas, Leche				
Hot Veg and Cold meals are served with vegetables and fruit of the day

Easy Pineapple Pie (Chef Steve's Recipe)

<u>Ingredients:</u>	<u>Steps:</u>
<p>* 9-inch pie crust (home-made, store-bought or graham Cracker)</p> <p>* 20 oz (or 2 1/4 cups) canned crushed pineapple in pineapple juice (include juice when preparing)</p> <p>* 8 oz regular cream cheese (This was listed as an Optional ingredient, so I decided to use it)</p> <p>* 1/2 cup unrefined sugar</p> <p>* 1/4 tsp salt</p> <p>* 4 tbsp cornstarch</p> <p>*1/2 cup shredded coconut (Another optional ingredient, to add a layer of flavor and texture)</p>	<ol style="list-style-type: none"> 1. If it's not already, place an oven rack in the center of your oven, and preheat to 350 F. 2. While preheating, set pie crust aside, and stir all pie filling ingredients together. 3. Slowly pour pie filling into crust, and smooth it around to the edges. 4. When oven is ready at 350 F, put pie in center of the tray and bake for 35 minutes. 5. After removing from oven, cool pie about 20-30 minutes (filling should thicken a bit). 6. After cooling, slice & serve pie. Or you can also... Serve with Cool Whip or ice cream (vanilla bean or coconut work great), if desired. 7. (If it's not all gone...) a covered and refrigerated pie will stay fresh about 4-days, or freeze immediately to enjoy beyond that timeframe
