Stonebridge Newsletter

Greetings!

It's hard to believe we're nearing the end of the first Quarter. We have many exciting things coming and can't wait to share them with you!

Hispanic Heritage Event

Thank you for everyone who came to our Hispanic Heritage Event on October 7th. It was a wonderful time to learn more about Hispanic Culture and to meet with teachers and students in the classroom. Take a peak below to see a few different projects that happened around the building.

Conferences

Thank you everyone who came to conferences during this fall! If you haven't yet had a conference, please reach out to your student's teacher directly to set up a time to talk about their year so far.

Activities

We are starting a rotation of activities this upcoming week on October 24th. We have activities for grades 3-8 at the moment and will be adding more throughout the year, so please keep your eyes peeled for announcements. If you're interested in Girls' Basketball, ACES, or Debate, please contact the office for more information.

Bingo Night

Just a reminder each of our classes will be creating their own themed basket to win during our Bingo Night fundraiser in November, and if you have any separate donations, you'd like to share with us, please contact Kara, Enrollment and Outreach Coordinator, to speak more about setting something up.
