

301 SCHOOL ADMINISTRATION

I. PURPOSE

The purpose of this policy is to clarify the role of the school administration and its relationship with the school board.

II. GENERAL STATEMENT OF POLICY

- A. It is the responsibility of the school administration to develop a school environment that recognizes the dignity of each student and employee, and the right of each student to access educational programs and services.
- B. The actions of the school administration should be consistent with the policies of the school board.
- C. The school board shall seek specific recommendations, background information and professional advice from the school administration.
- D. The school board holds the executive director ultimately responsible for administration of the school.
- E. The school board and school administration shall work together to share information and decisions that best serve the needs of school district students within financial and facility constraints that may exist.
