Greetings!

We've made it to March, and spring is just around the corner. Don't forget to pack outside appropriate clothing as the ever-changing weather makes playing outside a fun puzzle right now.

Black History Month Recap

We had a wonderful celebration of Black History month from in classroom events to a reading from a local performer in celebration of the Black Diaspora. We are so glad everyone was able to join us as we continue to celebrate all the wonderful things we're able to offer here at Stonebridge.

Did you know?

March is both Women's History Month, and Disability Awareness Month. As we work through March, find times to talk about important women in history and disability advocates like a couple highlighted below with your children.
