INTRODUCTION

Welcome to the 2024-2025 school year at Stonebridge World School! We know that parents/guardians are the key to a child's educational success, and this student handbook is designed to keep you better informed about your child's experience. We encourage you to read this handbook with your child and keep it handy throughout the school year. All students and parents and/or guardians are expected to be familiar with and adhere to the policies in this handbook. Please do not hesitate to call the school, however, if you have further questions.

COVID-19 INFORMATION

Mask Policy

We follow the current CDC guidelines for masking. Anyone recovering from Covid-19 will be required to follow current CDC guidelines until the appropriate time and/or symptoms have elapsed.

Reporting of Positive COVID-19 Cases

If your student has a positive test for COVID-19, please notify to school office 612-877-7400. All students will be expected to follow the most current CDC guidelines for positive COVID cases. The school will be able to share with you the most current CDC information.

ATTENDANCE

Minnesota Law requires that every student age five (kindergarten) through age 16 attend school, and Stonebridge World School recognizes that daily attendance is **CRITICAL** to academic achievement.

**If your child will not be coming to school,
you must call our 24-Hour Attendance Line at (612) 877-7498 to report your
child's absence.**

Tardiness

Buses arrive at 8:50 and school starts promptly at 9:00 AM. Students who arrive after 9:00 will be considered tardy. Breakfast will not be served past 9:15, so that classes may begin their Morning Meeting on time. The only exception is if a bus arrives late we will then make accommodations for breakfast. If a student does arrive late to school, he or she *must* go to the office and get a pass. Three tardies count as one unexcused absence.

Excused Absences

Illness: Please call the school each day that your child is ill or send a note upon their return. **AFTER THREE MISSED DAYS, THE SCHOOL WILL REQUIRE A DOCTOR'S NOTE AS VERIFICATION OF ILLNESS.**

Religious observance or recognized cultural observance when school has been notified in advance

Funeral or family emergency for three days, or as arranged.

Family Activity: A parent/guardian may arrange with the school for a pre-approved family activity. To get pre-approval from the school, you must do the following:

- At least 10 days before leaving, parent/guardian needs to send a note to school describing the activity and the amount of time requested to be gone. This arrangement must be in place for the family activity days to be excused in the attendance system. The school has the right to limit the amount of time they will excuse a student from school for a family activity. (Make sure that your student will not be gone for important tests like the MCA or MAP)

Doctor, Dentist, or other professional appointments when the Stonebridge office has been notified and verification provided.

Suspension: If a student is suspended from school, he or she will be excused, but will be required to make up any missing work. **Suspended student needs to return with a parent/or legal guardian.**

Unexcused Absences

Any other absence will be considered unexcused. This includes, but is not limited to, missing the bus, errands with parents, and not having a uniform ready for school.

*If your child has had **three unexcused absences**, you will receive a notification from the school. At **five unexcused absences**, referral to the social worker will be made in order to develop a plan to improve attendance and identify any barriers to attending school*

BEFORE SCHOOL PROGRAM

Stonebridge World School's Before School Program opens at 7:45 AM

- Families, please submit an application.
- Limited space is available and when full applicates will be put on a waiting list.

Anyone authorized to pick up a student, should first added to the students' file.

At the end of the school day, authorized persons and those with a permanent pick-up pass will drive up to **Door 5** where a staff member will walkie for your student(s)

All students must be picked up by **4:15**. If a student is consistently picked up after the 4:15 cut-off time (over 2 times), a discussion will be had with the authorized pick-up person. If the student continues to be picked up after the cut-off time, a \$10 fee will be issued for each 15 minutes the student remains in the building.

BULLYING PROHIBITION POLICY

CONDENSED VERISON OF STONEBRIDGE WORLD SCHOOL BULLYING PROHIBITION POLICY

A safe and civil environment is needed for students to learn and attain high academic standards and to promote healthy human relationships. Bullying, like other violent or disruptive behavior, is conduct that interferes with a student's ability to learn and/or a teacher's ability to educate students in a safe environment. Stonebridge World School strives to monitor the activities of students and eliminate all incidents of bullying between students. Stonebridge World School intends to prevent bullying and to take action to investigate, respond, remediate, and discipline those acts of bullying which have not been successfully prevented. The purpose of the policy is to assist the school in its goal of preventing and responding to acts of bullying, intimidation, violence, reprisal, retaliation, and other similar disruptive and detrimental behavior.

For a complete copy of the Stonebridge World School 520 Bully Prohibition Policy, please contact the front office at 612-877-7400 or visit stonebridgeworldschool.org

COMMUNICATION BETWEEN HOME AND SCHOOL

Emergency School Closings

Stonebridge closing school announcements will be made on the following television stations: WCCO-4 (wcco.com), KARE-11 (kare11.com), KMSP-9 (kmsp.com) and KSTP-5 (kstp.com) starting at 5:30 a.m.

Cold Day: Stonebridge will likely cancel school if the wind chill forecast for 6:30a.m. the following day is -35degrees or colder, with winds of at least 5 to 10 miles per hour

Snow Day: Stonebridge will cancel classes if road conditions are such that travel becomes too hazardous for buses and cars. Wait time at bus stops is taken into consideration.

This may happen if it snows 6 inches or more in 12 hours, or 8 inches or more in 24 hours. Every winter storm is different, so it is possible that school will still be held even if snowfall reaches these limits.

Weekly Backpack Mail

Every Friday, students will bring home a folder of information to be shared with parents and guardians. Information may include announcements of upcoming events, your child's classroom newsletter, or other information that is distributed school wide. Backpack mail is a very important source of information for parents – please ask your child for his or her folder every Friday, and let the teacher know if your child comes home empty-handed. Also, please return the folder to school each Monday! It is very important that your child bring a backpack to school each day to be able to transport homework and communication from the school. If your child does not have a backpack, Stonebridge will make one available (while supplies last).

Parent-Teacher-Student Conferences and Report Cards

Stonebridge issues report cards four times a year. Parent-Teacher-Student conferences are held two times a year, the fall and winter quarters. Watch for a schedule of upcoming dates. Conferences are very important to attend. These conferences, along with report cards, give parents quarterly update on student progress.

Classroom Newsletters

Your child will receive a weekly classroom newsletter. The class newsletter is an excellent place to learn about what your child's class has been working on as well as information about upcoming events and activities.

Speaking With Your Child's Teacher

Parents are welcomed and encouraged to contact Stonebridge World School teachers, administrators or office staff with questions or to discuss concerns regarding their children. If you would like to meet with your child's teacher, please make arrangements with the classroom teacher. Also, teachers are unable to take phone calls during the school day. If you need to speak with your child's teacher, please call the office and you will be given the teacher's voicemail. The teacher will reach you at a time when they are available, within 24 hours.

School Security

Like all schools, Stonebridge is primarily interested in the safety and security of all of our students and families. Anyone who is not a student and enters the building needs to report directly to the main office. Please notify the office if a family member/friend other than those listed on the enrollment form will be transporting a student to or from school.

At Stonebridge we use the **RAPTOR IDENTIFICATION SYSTEM**, a visitor registration system that enhances school security. Raptor will provide a consistent system to track visitors, volunteers, and tardy students while protecting our children from people who may present a danger.

When visiting or volunteering at Stonebridge you will need:

- **A valid state or government issued photo identification card.** If the visitor does not have acceptable photo identification available, the director will be called to assess the situation.

For security measures, all entrances are locked at all times and visitors/parents will have ring the bell and be buzzed in the school, please be prepared to show identification.

(For more information, refer to 803 Security Management Policy located on the website)

All visitors must check in at the school office to receive a visitors' badge. Students pick up at the end of the day will be drive up to door #5 (west side of parking lot), and a temporary pick-up pass will be required for student pick, issued by the office on that day.

Messages for Students

If you need to reach your child during the school day, please call the main office and leave a message, which will be delivered to your child. Students will not be able to take phone calls during the school day.

In the event of an emergency requiring that parent/guardians have immediate contact with their child, parents/guardians should either call or go to the office to explain the circumstances of the emergency, and request that their student be called to the office to meet and/or talk with them (key problems, pick up arrangements etc. are not considered emergencies and a message can be left for the student).

Students will not have access to their personal cell phones during the school day. If you get a call from your child during the day on their cell phone, they are not following the school rule regarding turning cell phones into to teachers upon arrival at school.

Home Calls

Students will not be excused from their class to call parents/guardians during the day unless there is a notified emergency through the school office.

Social Media

Students are not allowed to access social media in school such as Facebook, Snapchat, Tik Tok, or Instagram. According to social media sources, students must be at least 13 years of age before being able to set up an account. Please be aware if your child has inappropriately set up any such social media accounts. Social Media bullying and/or harassment that becomes an issue at school between students will be handled in the same way as any other school bullying and/or harassment issue along with detailed follow up with the parents regarding appropriate social media use outside of school.

DISCIPLINE POLICIES

DISCIPLINE- STANDARDS OF STUDENT BEHAVIOR

When students are disruptive or act inappropriately, school staff and administrators are expected to respond to this behavior logically, appropriately and consistently. Events are assigned to one or more levels of interventions or disciplinary resolutions. The discipline guidelines divide inappropriate and disruptive behaviors into four levels of events.

Disciplinary policies shall be enforced within the general guidelines as set forth in the Events Levels 1-4 and the Events and Potential Interventions Matrix. These guidelines describe the various administrative actions that may be taken for infractions of the law and the school district's standards of behavior.

The format of this section begins with the MINIMUM disciplinary resolutions and potential interventions for each event. The MAXIMUM administrative actions are expulsion and exclusion.

There shall be a logical relationship between the severity and frequency of the offense and the age of the offender and the administrative action.

EVENTS – LEVELS 1-4

Behavior events are classified in four levels.

A Level 1 event is the least severe with intervention by the teacher in the classroom.

A Level 4 event is the most severe and requires the director to make a recommendation for expulsion.

Each level provides recommendations for possible interventions based on the event and who is responsible for intervention

510 Student Conduct and Discipline Policy is available through the school office or located on the school website.)

DRUG-FREE ZONE

In an effort to make Stonebridge World School a safer and healthier place for students, families, and teachers, the school and the property surrounding it are a DRUG-FREE ZONE. This includes all illegal drugs, as well as tobacco and alcohol products.

**SMOKING AND/OR VAPING ON SCHOOL GROUNDS IS
STRICTLY PROHIBITED.**

Community Emergency

If, for some reason such as terrorist attack, hostage situation, severe weather or other safety emergency, our Emergency Management Team will decide if we can safely remain on site or if we need to evacuate our building. If it is determined that we will remain on site, we will follow these steps:

1. Inform Community Emergency Response Services (911) of our situation.
2. Lock down building and classrooms.
3. Staff will remain with students until either our building is deemed safe and the “All Clear” signal has been given by Emergency Response Personnel, or it is determined that we must evacuate the school.

Evacuation

If, due to emergency, our building needs to be evacuated, Stonebridge World School will follow these steps:

1. Inform Community Emergency Response Services (911) of our evacuation plans and alternate location.
2. Evacuation plans for our staff and students will be listed with the 5th Precinct:

**Please call Minneapolis Police 5th Precinct
3101 Nicollet Ave South
MPLS, MN 55408
612-673-5705**

3. We will remain at the evacuation location until either our building has been deemed safe to return to, until all children have been picked up, or until the alternate site is considered unsafe.
4. Parents will be able to pick up their children at this location, or we will inform the 5th Precinct of our alternate location.

If your student has any allergies or special food needs, please call the school and we will work with our food service to ensure we are able to meet a students' dietary needs.

Lunch will be provided free to all students at Stonebridge this year according to the Minnesota free school meals for kid's program.

Once the school receives this form a school lunch will not be ordered for the student. If a parent wants to change the student designation and receive a school lunch, a form must be completed and turned into the office. A five-day notice is necessary to make a lunch change. - If you need more information about shots, you can call the Minneapolis Schools Hotshot line at (612 668-0870)

Illness at School

If your child becomes ill during school hours, we will contact you immediately. We must have accurate, up-to-date information about how to reach you or someone you trust in an emergency. Students who are ill *must* be picked up from school. If we cannot reach either you or your emergency contact person and the situation is urgent, Stonebridge staff may contact emergency response personnel. If your child has a temperature of 100.4 or above, they will be sent to the sick room and must be picked up within one hour.

Contagious Illness

Please keep your child home if your child has a contagious illness (Strep throat, flu, pink eye, ring worm, head lice, etc.). Your child may return to school 24 hours after medical treatment has begun for the illness or, for flu, 24 hours after the **last** symptoms (please provide medical treatment documentation). If your child has a fever, your child must be kept home until at least 24 hours after they no longer have a fever or signs of a fever without the use of fever-reducing medicine. Following this policy benefits your child and the school community.

Medications

In keeping with state law, Stonebridge staff must have on file a written directive from a doctor AND a parent note to be able to dispense any prescription medications (including asthma inhalers) to a student. Stonebridge staff cannot give out non-prescription medications such as aspirin and such items may not be brought to school. Any medication to be given to a student must have the child's name and instructions for use on the container. Please talk with someone in our school office about possible medication needs your child may have.

ITEMS WHICH ARE NOT ALLOWED AT SCHOOL

There are certain things, which, as a rule, students are asked not to bring to school with them. These items include, but are not limited to:

Cell Phones/Electronic Devices

While we understand that you may want your child to carry a cell phone so they can contact you outside of school, our policy is that students may not use or possess cell phones at school under any circumstance. If a student brings a cell phone to school, it must be turned into their teacher at the beginning of the school day. The student may take it out at the end of the school day. Other electronic devices, including, but not limited to, music players, stereos, iPads, EarPods, Apple Watch and video games should not be brought to school for any reason. Any electric device that is being used during school and is not authorized will be confiscated by Stonebridge staff and turned into the School Director. Items will be returned to a parent or guardian by Stonebridge staff.

Stonebridge World School is not responsible for lost, damaged, or stolen items.

Food/Candy/Gum

Food, candy and gum should be left home. Candy and gum are never acceptable in school, as they inevitably lead to problems with classmates or gum on the floor or in the carpet.

Birthdays

Stonebridge has implemented a “non-food birthday treats” policy. **No food will be distributed for a birthday celebration.** If you would like an alternative to food treats for your child’s birthday celebration, check with your child’s teacher first to see what he/she finds acceptable for their classroom and be sure to provide advanced notice to make sure that they can fit the birthday plans into their schedule.

Money/Toys/Games/Cards

Stonebridge asks that all of these items be left at home and not brought to school. Many of them inevitably lead to conflict between classmates and are easily lost or stolen. **Any items brought to school may be confiscated by staff and returned only to a parent.** Toy guns and look-alike weapons brought to school may result in further disciplinary action.

The personal possessions of students and/or a student’s person may be searched when school officials have a reasonable suspicion that the search will uncover a violation of law or school rules. The search will be reasonable in its scope and intrusiveness. It is a violation for students to have on their person or in their personal possessions anything that violates school rules or the law.

Stonebridge World School is not responsible for items brought to school that are lost, damaged or stolen. Prohibited items that are brought to school or used in class will be confiscated by staff and may only be returned to a parent or guardian.

KEEPING THE SCHOOL INFORMED

Good communication between home and school is essential to keeping our students safe and our parents well informed. It is our policy that parents inform the school of any changes to their emergency contact information. We need to be able to reach parents and have accurate emergency contact information at the school.

Please consider the following:

Do you have a new home phone or cell phone number?

If your phone is disconnected or out of minutes, how can we reach you until it is turned back on?

Do you have a new work or other daytime telephone number?

Are there any new health issues about your child we should know about?

Has your housing status changed, or is it about to change?

Is someone new going to be picking up or dropping off your child?

Is there anything else we should know that would be helpful in educating your child?

PARENT-TEACHER-STUDENT CONFERENCES

School-wide conferences will be held two times during the school year. All parents are expected to schedule a conference with the teacher and attend the conference along with the student. The fall conference will be an opportunity for all parties to sign the Commitment to Excellence Pledge and complete the Student Growth Plan.

SCHOOL PLEDGE

I am somebody

I was somebody when I came.

I will be a better somebody when I leave.

I am powerful!

I am strong!

I am smart!

I am respectful!

I believe in me!

School pledge may be said in classrooms during morning meeting and at all school assemblies.

Parents/ Guardians must set-up their student as a walker. There will be corners with no crossing guards. Students are to go straight to school or home, respect the rights of others, and walk at a comfortable pace.

BUS POLICY

A safe school bus ride to and from school is the result of all students/parents/ guardians understanding and practicing a few simple school bus safety rules. It is important and helpful if parents work with the school and school district in teaching your children these rules.

If your child is suspended from transportation your child will discuss the reason for the suspension and may be reminded of the following bus safety rules: 1) bus riding is a privilege, not a right and it can be taken away, 2) district policies for student conduct and school bus safety, 3) safe, appropriate conduct while on the school bus, 4) the danger zone surrounding the school bus, 5) procedures for safely boarding or leaving the school bus, 6) procedures for safe street or road crossing and 7) school bus evacuation and other emergency procedures.

While waiting for the school bus students are expected to follow these guidelines:

- Arrive at the stop FIVE minutes before the school bus is scheduled to arrive.
- The School bus driver is not allowed to wait for late students, nor will the bus be sent back for late students who miss the bus.
- Stay back from the curb.
- Do not play on neighbor's property or hang from their trees.
- When you see the school bus coming down the street, line up in a single file line or wait for directions from the bus driver before crossing the street.
- Cross ten feet in front of the school bus.
- No pushing or shoving while boarding the school bus.

On the school bus, students are expected to follow these guidelines:

- Always hold the handrail as you board; the stairs may be slippery.
- Find a seat on the school bus and sit facing forward.
- Always keep your books and backpack on your lap or seat.
- Opening, closing, or adjusting the windows will only be done with the permission of the school bus driver.
- Never put your arms or hands or extend any object out the window of the school bus.

Students are expected to always follow the bus driver's instructions:

- Keep the noise level down while riding the school bus.
- Remain seated while the school bus is in motion.
- Fighting, spitting, teasing, wrestling, throwing objects, or littering will not be tolerated.
- Respect others and their personal property.
- Students are responsible for vandalism and will be responsible for restitution to the school district.

TRANSPORTATION CONSEQUENCES

While riding school buses, all rules that apply to building and/or classroom behavior shall apply on school buses. Transportation consequences are mandated by state statute.

Any disruptive behavior, as defined under school policy, while riding a school bus is prohibited. This includes not remaining seated, throwing objects, disruptive behavior at a bus stop or to and from the bus stop, tampering with emergency or safety equipment, fighting/ play fighting, and lighting flammable devices.

4MATIV holds your child's safety in the forefront of their Bus Conduct guidelines. Students in grades Pre-K-6 are individually considered for disciplinary action. Students may be suspended from riding the bus for longer periods of time, including the remainder of the school year. In addition to the specific loss of bus privileges, a student may receive other consequences for violation of a school policy.
